

# We need YOUR help with our current COMIX35 Projects!

Here's what we're working on right now -- Please pray and support financially!

## FRENCH-SPEAKING AFRICA

COMIX35 is developing a **4th all-new magazine** using comics developed at our seminar/workshop in the **Ivory Coast** in 2014. We are also working with on-the-ground

partners to put together another **African seminar/workshop** -- this time in either **Congo Brazzaville** and **Congo Kinshasa** in 2016. The African continent is home to the most French speakers in the world -- 115 million people -- two-thirds of whom are 25 years old or younger.

## U.S. PRISONS

COMIX35 has another personal testimony tract coming out soon, once again **written and drawn BY Christian inmates, FOR prison inmates.** Entitled *From*

*Ashes to Beauty: The Story of Annie*, it's our first prison tract designed for women.

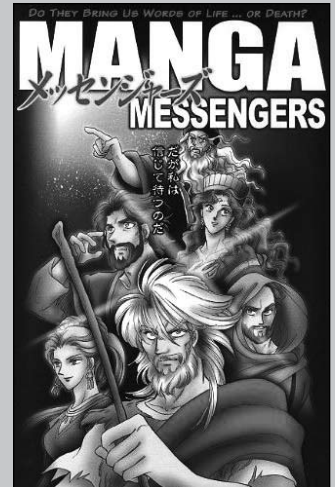

## NATIVE AMERICA

COMIX35 is partnering with Christ for Native Youth & Western Indian Ministries in Tse Bonito, NM (Window Rock area) to provide **introductory comics workshops for Native Americans & ministry workers** who want to serve them.

## ASIA

COMIX35 will be sponsoring the participation of Ryo Azumi San to teach on **Japanese Manga** for 1 week again this year at the **School of Cartooning & Animation for Missions in Taiwan.** Azumi San is the adaptor/illustrator of the Biblical graphic novels *Manga Mutiny*, *Manga Melech*, & *Manga Messengers*. (COMIX35 helped with the production of these comics during the time The Lord had us working in Japan.)

## QUÉBEC

COMIX35 is in discussions to hold another comics workshop with ministry partners in Québec. This time we hope to assemble

an **international team of teachers** from **Africa, Asia, and North America**, including Benjamin Kouadio (Ivory Coast), Ryo Azumi San (Japan), Eric LeBlanc (Québec), and Nate Butler (USA). It has been challenging to undertake workshops in Québec, so we need a LOT of prayer for this project!

**Please prayerfully consider sending an additional gift today to help support these exciting COMIX35 projects around the world!**
